

## D.O.S.E.

Our unique and proprietary products bundled together (Elevate coffee and Xanthomax) naturally promote your body's own happiness hormones, Dopamine, Oxytocin, Serotonin and Endorphins. Elevate Coffee is not just a coffee. It is a functional beverage, with a proprietary blend of natural and botanical NOOTROPICS. The D.O.S.E. Package includes: Elevate & XanthoMax (\$120 value).

Nutritional support for the four hormones associated with happiness.

Our unique and proprietary products bundled together (Elevate coffee and Xanthomax) naturally promote your body's own happiness hormones, Dopamine, Oxytocin, Serotonin and Endorphins. Elevate Coffee is not just a coffee. It is a functional beverage, with a proprietary blend of natural and botanical NOOTROPICS.

Xanthomax is a bio-available xanthohumol with the ability to support your body's ability to produce its own oxytocin, naturally. Oxytocin is often called the hormone of happiness. Xanthohumol is a molecule found in the hops plant.

**D.O.S.E.** is a supplement designed with you in mind.

We are so confident that you enjoy the benefits of our products that we guarantee satisfaction, or we refund your money.
