

# INCOME DISCLOSURE STATEMENT

Income of a Typical Participant in the Compensation Plan of Elepreneur, LLC is earned from compensation on personal and downline sales of products and/or services. Success in this business requires hard work, dedication and good sales skills. The average participant in a direct selling business earns between \$100- \$1000 per year. Some earn less while some earn more.

Please note that these earnings are estimates and have been derived from the earnings experience of existing direct sellers, which operates a comparable compensation plan, selling comparable products and services in the industry. Due to recent Compensation Plan enhancements, we are gathering data to provide an accurate Income Disclosure document which will include Average Earnings by Rank. We expect this document to be published on or around March 1, 2020. If you need this information prior to making a decision about joining Elepreneurs, we recommend that you wait until this information is available.
